

## ISA Copyrights and Trademarks

The International Suzuki Association owns all trademarks and all copyrights throughout the world for all instructional books for musical instruction in the *Suzuki (all ISA approved instrument groups, voice & early childhood materials) School* series of books published by Alfred Music Publishing previously owned by Dr. Suzuki. This includes the printed materials, the recordings, and the right to license use of those materials. This also includes the marks *Suzuki*, *Suzuki Method*, *Suzuki Method International* and others. In addition, the ISA owns the trademark and business name *International Suzuki Association*.

The *Wheel* device logos are also trademarks (™) or Registered Trademarks (®) of the International Suzuki Association, used under exclusive license by Alfred Music Publishing.

The ISA has a contract with Warner/Chappell, which owns Summy-Birchard, for publication of the *Suzuki Method™* outside Japan. Alfred Music Publishing administers the publication, distribution rights and responsibilities of the Suzuki materials worldwide excluding Japan. All Suzuki books sold by Alfred Music Publishing are copyrighted and those copyrights are owned by the ISA.

Zen-On Music Company publishes the *Suzuki Method™* for sale inside Japan, though the ISA remains the copyright holder worldwide.
